Dear Connecticut Behavior Analyst,

I would like to take this opportunity to invite you to become a member of the Connecticut Association of Behavior Analysis (CT ABA). As a member of CT ABA you will become a part of the growing influence of behavior analysis in Connecticut.

CT ABA's mission is to develop and advance the field of behavior analysis within the state of Connecticut through research, education and dissemination of information. CT ABA accomplishes its mission by providing peer-review committees to share applied work and research in Connecticut; workshops for behavior analyst, teachers, and parents; as well as host the annual CT ABA conference each spring.

CT ABA held its first conference in at Connecticut College in 2005. The first conference was a single track conference with approximately 40 people in attendance. In 2007, CT ABA became a two track conference. For the first time in 2008, over 100 people attended the annual Conference, and CT ABA became certified to offer continuing education for BACB credit. And starting in 2009, CT ABA will begin offering workshops.

Benefits for becoming a first time member and/or continuing your membership include:

- A place to meet other local behavior analyst
