

## Now Hiring: Part-Time BCBA (Connecticut)

Willow Park Academy is preparing to launch a new **in-home ABA therapy program across Connecticut**, and we are thoughtfully building our BCBA team.

This work is deeply personal for us. Willow Park Academy was inspired by our own family's experience navigating an autism diagnosis, and our goal is to create a practice that prioritizes **ethical care, meaningful BCBA involvement, and long-term sustainability—for both families and clinicians**.

We are seeking **experienced, part-time Board Certified Behavior Analysts (BCBAs)** who value quality over volume and are interested in contributing to a mission-driven organization from the ground up.

**This opportunity may be a strong fit if you are looking for:**

- Part-time, flexible clinical work (1099)
- Meaningful involvement in assessment, supervision, and family collaboration
- A clinician-centered model with realistic expectations
- An organization committed to ethical, evidence-based practice

### Position Details

- **Role:** Board Certified Behavior Analyst (BCBA)
- **Schedule:** Part-Time
- **Location:** In-home services across Connecticut
- **Requirements:** BCBA certification in good standing

If you are interested—or know a colleague who may be a good fit—we would welcome a confidential conversation.

**Contact:** Owais Iqbal

**Email:** [owais84@gmail.com](mailto:owais84@gmail.com)

**Organization:** Willow Park Academy

We are building intentionally and would be honored to connect with clinicians who share our values.
