

## **Behavioral Consultant – NeuroDiverse Consulting, LLC**

**Location:** Eastern CT (Plainfield, Killingly, Vernon areas)/ Office: East Hampton, CT

**Employment Type:** Full-Time (Part-time also available)

**Reports To:** Director of NDC: Nichole “Nickie” Collins

---

NDC is seeking a dedicated **Behavioral Consultant (BC)** to oversee clinical care and coordination for client treatment. NDC works collaboratively with **neurodivergent teens and adults throughout the state of CT** including those on the ABI, ASD, and DDS State Medicaid Waivers and private pay clients. This role includes conducting assessments, developing treatment plans, implementing evidence-based practices, and ensuring seamless communication and scheduling across teams. The BC will play a critical role in supporting clients and families while maintaining professional standards and compliance with NDC policies.

### **Key Responsibilities**

- Conduct behavioral assessments and develop treatment plans.
- Implement evidence-based practices and maintain data collection systems.
- Complete intake assessments and schedule evaluations.
- Monitor progress through session notes and data analysis.
- Develop Positive Behavior Support Plans (PBSP) for challenging behaviors.
- Attend team meetings and participate in peer reviews and project development.
- Engage in professional development and maintain required certifications (ABI, HIPAA, etc.).
- Meet monthly billable hour requirements.
- Willing to drive to meet client needs.

### **Qualifications**

- Master’s degree in Applied Behavior Analysis, Psychology, or related field.
- BCBA certification (required)
- Licensed as Behavior Analyst in CT (required)
- Experience in behavioral assessments, treatment planning, and data analysis.
- Strong communication and organizational skills.
- Ability to work collaboratively in a multidisciplinary team.
- Experience working with neurodivergent populations including ASD, ABI, IDD, ADHD.

### **Benefits**

- Competitive salary and benefits package.
- Highly Flexible Schedule including in person and remote options
- Opportunities for professional growth and development.
- Supportive team environment committed to evidence-based practices.
- Tech stipend and Cell Phone provided
-
